**Mrs. Cassius F. Lee**, of this city, and Miss Sallie Harrison, of Leesburg, are spending the week in Baltimore. The marriage of Miss Harrison to Mr. E. B. White has been announced to take place on February 21.

**WOOD AND COAL FOR POOR.**—The cold weather of the past two weeks as it affected the poor of the city is shown in the bills filed for payment for wood delivered in December. In order to assist as many as possible an order is given for one-fourth cord of wood to each person, and also an order for one dollar's worth of groceries. Two hundred and fourteen loads of wood were delivered in December, the indigent whites receiving 96 loads and colored persons 118 loads. The orders for groceries have not been filled in any great amount for December. These orders are for one dollar each and can be used at any grocery. It has been rumored that the wood orders are at times used for grocery. Persons should be careful in accepting these orders, as they are directed to Mr. Fannon, contractor, and no one else, and will not be recognized coming from others.

**R. H. & L. MEETING.**—The annual meeting of the Relief Hook and Ladder Company was held last night, when the following officers were elected: Park Agnew, president; John H. Trimyer, 1st vice president; C. L. Pickin, 2nd vice president; J. R. Mansfield, secretary; Harry Haynes, recorder; L. Ruben, treasurer; R. M. Latham, foreman; W. T. Rogers, 1st assistant; A. W. Pickin, Harry Haynes and E. F. Matter. A vote of thanks was tendered to C. H. Pickin, the retiring secretary, for the faithful discharge of his duties during his 18 years' incumbency.

**THE WEATHER AND THE RIVER.**—The thermometer did not get below 34° last night and thawing, which set in yesterday, continued all night. Today the mercury rose to 48° and the snow is fast disappearing.

No other steamers are running than those mentioned yesterday, but preparations are being made by some of them to resume their trips—possibly tomorrow or next day.

This morning the tugs Carter and Davis arrived from below with a tow of several lumber schooners and oyster boats. They proceeded to Washington, following in the wake of the Norfolk steamer.

**POLICE COURT.**—Mayor George L. Simpson presiding.—The following cases were disposed of this morning:

Samuel Murray, colored, charged with disorderly conduct, was dismissed.

Martha Hughes, colored, charged with contempt of court, was fined \$2.50.

Night Report.—Last night was cloudy and cool. One prisoner and seventeen lodgers were at the station house.

**The Best Prescription for Chills** and Fever is a bottle of GROVE'S TASTEFUL CHILL TONIC. It is simply iron and quinine in a tasteless form. No cure—no pay. 50c.

Site doesn't indicate quality. Beware of counterfeit and worthless salve offered for DeWitt's Witch Hazel Salve. DeWitt's is the only original. An infallible cure for piles and all skin diseases.

**FAIR ASSOCIATION.**—The meeting of the Agricultural and Industrial Fair Association was in progress yesterday evening when the Gazette's report closed. Messrs. James W. Roberts, who had been elected president; Edmund Hunt, treasurer, and Capt. S. R. Donohoe, secretary, all declined to serve for want of time to devote to the association.

The committee on site reported that they had viewed several sites near this city, among them a place of twenty-three acres on the Braddock road, and also what is known as the "Rotchford tract." Messrs. M. B. Harlow and C. H. Smith were appointed to confer with the owners of the Alexander Island and see what the buildings on that tract could be purchased for.

Mr. Courtland H. Smith was appointed on the executive committee, of which committee Mr. George K. Pickett was elected chairman.

**KNIGHTS OF PYTHIAS.**—At a regular meeting of Oriental Lodge, K. of P., held in their C. s. Hall last night, D. D. G. C. George L. Simpson installed the following officers elected for the ensuing term: P. C., Jas. E. Sebron; C. C., Samuel L. Moore; V. C., E. W. Armstrong; Prelate, Wm. H. Smith; M. of E., W. H. May; M. of F., H. A. Crum; K. of R. & S., A. F. Cox; M. of W., Geo. L. Simpson; M. at A., J. B. Francis; I. G., Mark R. Norris; O. G., Jas. Howson; trustee, H. A. Crum; W. H. May and Geo. L. Simpson. Representative to the Grand Lodge, which meets in Winchester February 20, Dr. A. F. Cox.

**NO QUOTATIONS.**—The old Friendship Fire Company (1774) yesterday received a letter from Philadelphia, asking if the company had an old hand fire engine for sale and to name the price. The letter stated, incidentally, that the writer had recently missed an opportunity to purchase such an engine for \$100. Ex Mayor Downham, president of the Friendship Company, in replying stated that his company did have an old hand fire engine, but as an offer of \$15,000 had recently been declined for it, it was needless to quote prices.

**CHARTER.**—Judge Nicol has granted a charter to the Mutual Ice Company of Alexandria, Virginia, the objects of which are to buy and sell ice. The officers are W. M. Reardon, president; W. M. Reardon, jr., secretary, and Harry Hammond, treasurer, who, together with J. W. Hammond and E. H. Hammond, are directors. The capital stock of the company is to be \$5,000. It is understood that an arrangement has been entered into by which Mr. Hammond's ice factory will be kept running all the time.

**FOUND DEAD.**—"Aunt" Chloe Weaver, an old colored woman about 75 years old, living near the John Hay Industrial School, was found dead in her bed this morning. She had been falling for some time and last week her relatives applied to the Mayor to have her sent to the almshouse, but when the officers were sent to take her she refused to go, preferring to remain at her home, although entirely helpless. Coroner Purvis decided that no inquest was necessary, the old woman having died of natural causes.

**RAILROAD MISSION.**—Rev. J. M. Owens, of the Seminary, will preach in the auditorium of the Railroad Mission tomorrow afternoon at 4 o'clock. Special arrangements have been made by the committee in charge to make this an interesting service. Special music has been provided. After service a regular meeting of the Workers will be held at which the officers for the ensuing six months will be elected. Plans have been laid for making this the banner mission in this section of the country.

**FUNERAL.**—The funeral of Mr. Clarence E. French took place at 9:30 o'clock this morning from his late residence, No. 513 south Washington street. The services were conducted by Rev. Father Cutler and the pallbearers were Messrs. J. C. Smoot, T. W. Robinson, Chas. Semmes, E. F. Marbury, E. H. Ellery and Dr. T. M. Jones. The remains were taken to Washington and interred in Mt. Olivet cemetery.

**EPWORTH LEAGUE.**—At the monthly meeting of the Epworth League, held in the Methodist Episcopal Church South last night, the following officers were installed: President, E. B. Kemp; first vice president, Robert W. Whaley; second vice president, Miss Emma Pattie; third vice president, Miss Lula Cooney; secretary, Julian Y. Williams; treasurer, Miss Katie Price, and librarian, Miss Anna Summers.

**PRESENTATION.**—At a meeting last night of Mount Vernon Chapter, Royal Arch Masons, Mr. Chas. A. Simpson was presented by the chapter with a handsome Past High Priest's jewel. The presentation was made by Dr. W. R. Purvis in an appropriate address, to which Mr. Simpson fittingly responded.

**THE LIBRARY.**—The following books have been added to the Alexandria Library: The House of the Wizard, by Imlay Taylor; My Lady and Allen Duke, by Charles Donald Gibson; The Market Place, by Harold Fredrick; The Lion and the Unicorn, by Richard Harding Davis; The Connection with DeWolff by Frances Hodgson Burnett; The Helmer, by Frances Lynde; Stinky Co., by Rudyard Kipling; Dionysus the Weaver's Heart Dearest, by Blanche Willis Howard; David Greive, by Humphrey Ward; Gerald Fitzgerald, by Charles Lever.

**He Fooled the Surgeons.**—All doctors told Renick Hamilton, of West Jefferson, O., after suffering 18 months from Rectal Fistula, he would die unless a costly operation was performed; but he cured himself with five boxes of Bucklen's Arnica Salve, the surest Pile cure on earth, and the best Salve in the world. Only 25c. a box. Sold by E. S. Leadbeater & Sons, Druggists.

G. H. Appleton, Justice of Peace, Clarkburg N. J., says "DeWitt's Little Early Risers are the best pills made for constipation. We use no others." Quickly cure for all liver and bowel trouble.

**To the Public.**—I want to let the people who suffer from rheumatism and sciatica know that Chamberlain's Pain Balm relieved me after a number of other medicines and a doctor had failed. It is the best I have ever known of. J. A. DODGEN, Alpharetta, Ga. Thousands have been cured of rheumatism by this remedy. One application relieves the pain. For sale by all druggists.

Ladies, clean your Kid Gloves with La Belle Glove Cleaner. For sale only by Mrs. C. E. Bradley, 414 King street. Headquarters for Kid Gloves and all the latest novelties in fine millinery and fancy goods.

She was formerly Miss Emma Ball, of King George county, and has a large circle of friends and relatives throughout the State. The attack was severe, and the lady's life is despaired of.

**DEATH OF A YOUNG LADY.**—Miss Mary E. Sison, aged 14 years, daughter of the late Townley Sison, of Alexandria county, died at her home on Pitt street, near Cameron, this morning. Her funeral will take place from St. Mary's church tomorrow. The father and sister of the deceased died during the past year.

Mr. K. Kemper has received several photographs from Mrs. Sophie L. Barnard, of South Cove, East York, England, of scenes associated with the old home of the Washingtons. Pictures of the church the Washington family attend and old South Cove Castle are among the collection, which are to be presented to Alexandria-Washington Lodge of Masons.

The dry goods and notion store of Mr. J. R. Chapman will remain open during next week and the taking of stock for its transfer to Mr. Swann, who has purchased the business, will not begin till the 10th.

**[COMMUNICATED.]**  
 Yesterday evening the wind being from the south, the atmosphere of the whole southern end of the city was poisoned by the stench arising from the Washington garbage, at the dumping grounds near Fort Foote. If this is the case now, after the low temperature of the past week, what are we to expect when warm weather comes again? Are we to wait for an epidemic to be caused before taking steps to have this nuisance and outrage on the community stopped? Our city cannot remain healthy if this nuisance is to continue, and may it not be responsible for much of the illness we already have with us? **CITIZEN.**

**A CENTURY PLANT.**—With the beginning of the new year the Alexandria Gazette finished a century of existence as a daily newspaper. A remarkable fact in connection with the longevity of this venerable paper is that during its entire career it has been owned and conducted by the same man, the knowledge, who still owns and conducts it. Within the recollection of the writer the Gazette has undergone little change in any respect, save the adoption of new type now and then. In its policy and style it is as unchanged as its ownership. It is an ardent vigorous statesman's newspaper, unwavering in its loyalty to the South and to the principles enunciated by Jefferson. It is an unconquered rebel which has continued to exist and flourish in spite of the national capital. [Baltimore Register.]

**THE GAZETTE.**—On the last day of the year the Gazette completed its hundredth year. As a newspaper—especially as a Virginia newspaper—it hasn't a superior, giving all that is going on in an out-lying thorough concise form. Its editorials are ever pithy and pungent, but its editorial writer doesn't always appear to be happy. [Charleston W. V. Free Press.]

Our January Sale of Muslin Undergarments

Now in progress has features which mark it as the most notable we have yet made. Several thousand pieces were especially gathered for the occasion. And the very low prices come from timely, wise, and great buying, and from knowing how to profit by every means of legitimately saving cost.

**Men's Unlaundered Shirts.**  
 Our twice-yearly sale of Men's Unlaundered shirts has begun. The character of the shirts which we have been selling so successfully for the past seventeen years is so well known to the Alexandria public that we deem it unnecessary to more than announce our readiness for the sale, and to say that while the goods, in the main, are the same as heretofore, a number of improvements are noticeable, in the lowest grade as well as the highest, and each price represents absolutely the very best value that amount can buy.

Especially worthy of mention are the following numbers:  
 35c each; 3 for \$1.00.

Men's Unlaundered Shirts, in sizes 14 to 16 1/2, inclusive. Made of good quality muslin, with set-in linen bosom; neckband split at back to keep neck from coming in contact with collar button.

50c Each.  
 More of our regular 50-cent shirts, which we cannot better for the price. Wamsutta muslin; all-linen bosom; several sleeve lengths; protected button-hole at back; perfect fitting. A thoroughly reliable shirt.

50c Each.  
 Night Shirts, made of "Langdon 70" muslin with colored trimming the same as used on 75-cent and \$1.00 shirts. Properly proportioned.

50c Each.  
 Soft, warm, and comfortable Night Shirts of colored striped outing flannels; sizes 14 to 19. Cut full and long.

First floor.  
**More New Books.**  
 No less than 5,000 new books, and new editions of the old favorites, were issued from the presses of our American publishers during the year 1899, and of some of these the sales were enormous, no less than 400,000 copies having been sold of one favorite. Many of the new ones are also good ones, and now the discriminating reader looks over the list and selects the best.
